

# Moodle Service

Get your own student platform

APRIL 2020

**Offer created by**

**Dr. Adam Nielsen**

Mathematician & Webdeveloper

[www.drnielsen.de](http://www.drnielsen.de)

[info@drnielsen.de](mailto:info@drnielsen.de)

Manage your own Moodle platform to interact with your students. I offer you the following services:

1. Setup and install Moodle with Lambda theme
2. Host Moodle on a server
3. Administrative Support

## Prices

Setup and install Moodle with Lambda theme	130 €	One-Time Fee
Hosting Moodle on server including SSL certificate	180 €	Every 6 months
Administrative Support	680 €	Every 6 months

The total price for the first 6 months is **990 €**.

Every subsequent 6 months are billed with **860 €**.

**Note:** According to the § 19 UStG I do not charge the german sales tax, and consequently do not account it (small business).

## Setup and install Moodle with Lambda theme

### This includes:

1. Setup DNS records for your wish-domain to point to the server
2. Setup SSL certificate
3. Setup fresh Moodle installation
4. Purchasing Lambda Theme License for you
5. Installing demo content & courses for you to get started

## Hosting Moodle

### Your Moodle will be hosted on a modern Server, including:

1. 4 vCores
2. 8 GB RAM
3. Unlimited traffic
4. SSL Certificate (Secure Socket Layer)
5. Unique Server IP
6. Regular backups

The minimum duration of the hosting is 6 months. If not cancelled, the hosting contract will be extended by 6 months.

## Administrative Support

The administrative support includes 2 hours per month of me taking care of your Moodle. I will be available for you at [info@drnielsen.de](mailto:info@drnielsen.de) and will respond within 48 hours to support you with any Moodle related issues.

For example:

- How does enrollment /authorization work
- How to create/modify courses, slider, general layout..
- How to backup/recreate a course
- How to use/install plugin XYZ
- How to bill courses with PayPal etc.
- How to fix issue/bug XYZ
- How to insert responsive videos, etc.

Also, as part of the administrative support, I will upgrade your Moodle regularly and check for dependency issues with your plugins to make sure that you have the fastest and safest Moodle out there.

The minimum duration of the administrative support is 6 months. If not cancelled, the administrative support contract will be extended by 6 months.
